The DJS Youth Transportation Officer I and II are differentiated on the basis of supervisory control exercised by the supervisor over these employees. The DJS Youth Transportation Officer I performs duties under close supervision until fully certified. Following certification, the DJS Youth Transportation Officer I performs a limited range of duties with some independence at times and under close supervision at other times, depending on the complexity of the specific duty being performed. Employees must be fully certified by the Maryland Correctional Training Commission prior to appointment as a DJS Youth Transportation Officer II.
